

ATHLETIC PARTICIPATION FEE: HARDSHIP APPLICATION

In effort to be consistent, fair and accountable, Chippewa Hills School District is asking that you make a written request for athletic fee participation scholarship funds. These funds will be used to offset the participation fee that is essential to the continued operation of Chippewa Hills' Athletics. The fee set for this year will be \$60 per sport for High School with a \$150 maximum and \$30 per sport for grades 6/7/8 with a \$90 maximum. As a guideline for assistance, we will use household income requirements for the Federal Free and Reduced Meal Assistance Program. If you qualify for assistance you will still be asked to pay a small portion of the fee as well as work at one athletic event.
