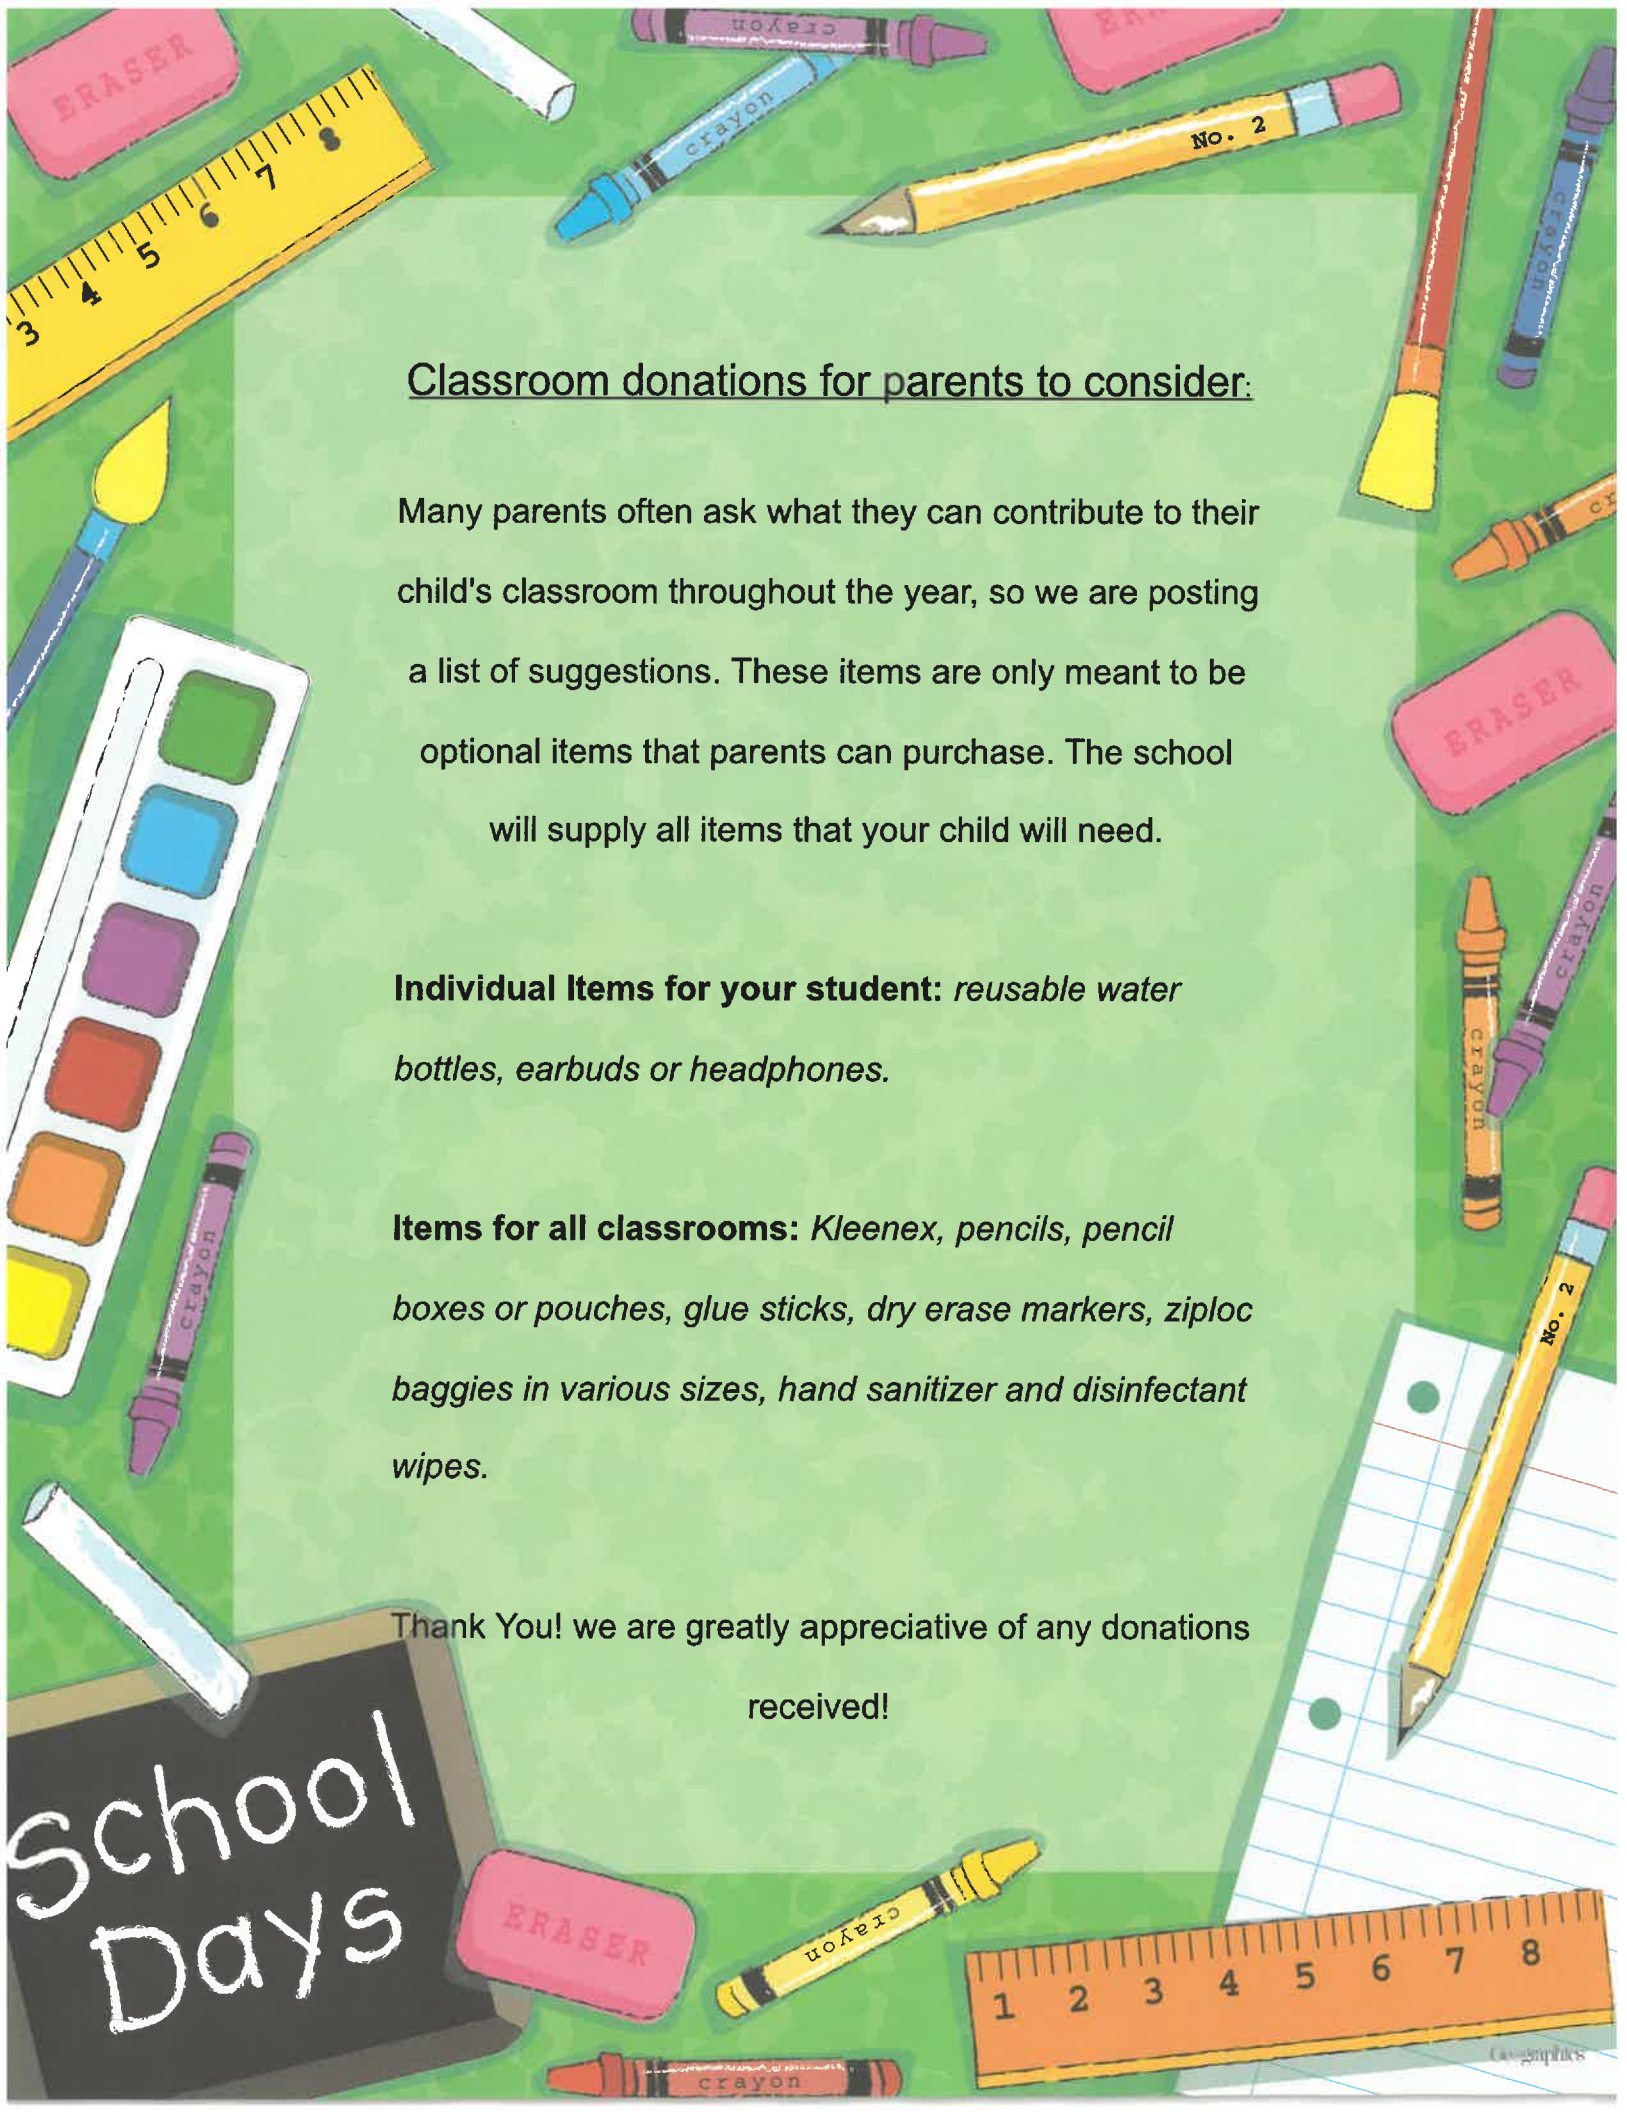
Classroom donations for parents to consider:

Many parents often ask what they can contribute to their child's classroom throughout the year, so we are posting a list of suggestions. These items are only meant to be optional items that parents can purchase. The school will supply all items that your child will need.

Individual Items for your student: *reusable water bottles, earbuds or headphones.*

Items for all classrooms: *Kleenex, pencils, pencil boxes or pouches, glue sticks, dry erase markers, ziploc baggies in various sizes, hand sanitizer and disinfectant wipes.*


Thank You! we are greatly appreciative of any donations received!
