

May 3, 2022

Dear Parents:

We are sending this letter to inform you that our Center, Isabella Citizens for Health, offers a free and convenient walk-in COVID vaccine service. This service is for all eligible individuals, including children ages 5 years and above. You are not required to be a patient at our Center.

The COVID vaccines have been thoroughly studied in clinical trials and given worldwide. The U.S. Food and Drug Administration (FDA) and the Centers for Disease Control and Prevention (CDC) have reviewed the data and agree that COVID Vaccines are safe and effective in helping to prevent or decrease the seriousness of a COVID-19 infection.

Getting vaccinated helps to protect your family, children and the community. If you are interested in a COVID vaccine for your family, please take advantage of our Walk-In hours, located at 2790 Health Parkway, Mt Pleasant, MI 48858.

Monday - Thursday 8:00 am - 5:30 pm
Friday 8:00 am - 3:30 pm

Please feel free to contact us with any questions at 989.953.5320, or you can visit our website at www.isabellahealth.org.
