

We will be closing Weidman to in-person instruction starting tomorrow (9/29) through Friday (10/1) with virtual synchronous teaching occurring. Teachers will carry out lessons from their rooms all 3 days. Support staff will deep clean the building all day Wednesday. I received a call from CMHD this morning officially declaring an outbreak in Weidman due to the connections. However, we made this decision earlier this morning knowing it would be best for our staff and students hoping for a much cleaner start on Monday (10/4). Please contact the Weidman office at (989) 644-2500 if you need devices and/or materials for the virtual lessons occurring over the next 3 days. It is important to be actively engaged during this virtual time as it directly impacts school funding. Thank you for your continual support and understanding as we continue to adjust to the situation and needs of our staff and students. Stay strong Warriors!
