

Chippewa Hills Food Service Introduces

E-Funding

E-Funding is an easy way to pay for your student(s) lunch on line.

No more sending money or checks to school. No more students losing their envelopes. (Though the option is still available if you choose to send money/check to school)

How does E-Funding work?

You will log onto CHSD website and choose the Food Service Link

Once at this site you will see an e-Fund link. Click on that link. Choose what applies to you as a member.

This is an entry/usage fee for e-Funds.

The charge is \$1.00 if you use your checking account or \$1.99 if you use your Debit or Credit card. Once on this site you may pay for all your students that attend Chippewa Hills at the same time, even if they are in different buildings, and with just one entry fee.

If you log out and come back in to the e-Fund site, you will be charged another entry/usage fee of \$1.00 or \$1.99 pending on what payment plan you use.

You will be able to check this site to make sure the deposit was made and check all the deposits you have made in the past.

If you have any questions at all, please don't hesitate to contact me at 989-967-2231 or rsnyder@chsd.us

Sincerely
