

## **New Remind Accounts for Intermediate School**

Remind has made changes to the way they will operate beginning July 16th, 2019. We are no longer allowed to have an account with over 150 people in a class. We see the value in using Remind to keep our Intermediate families informed. Please join the appropriate group for your child. If you have multiple children, please feel free to join multiple groups.

### **For the 2019-2020 School Year:**
