Mrs. Suman's class
Welcome!
9/29/22

Here are a few reminders as the school year is underway.

Communication/Planners

Your child will have a planner that we will fill out each day about what we did in class. This is for your child to keep organized. Spelling words will be written in them each week as well. **Please initial the planner each day on the bottom of the page**. This is also a great way if you want to communicate with me or would like to write a note for me to get a hold of you. **I also post any newsletters I send home to our Chippewa Hills website under Weidman/staff newsletters.**

Testing

We will be doing our beginning of the year testing next week (after Labor Day).   The testing we do is NWEA and Acadience testing which allows us to see where your child is at the beginning of the year. These tests we do three times a year and the students are used to these tests.

Attendance

It is very important that your child is at school. We will work through any concerns he or she may have if it is a Monday and your child is tired or just doesn't want to get back into the routine. We have so much academic material to cover in a year. Please know that we are in this together! (Of course, if your child is sick or running a fever I do not expect to see them).

Wonders/Logins

Your child will have a new login and password to log into his or her google account. We will write them in our planners. Your child will also have a username and password to get into his or her Wonder account (this is our reading program).

Snacks/Water Bottles

I encourage students to bring a water bottle to school. We do have a short break in the morning for snack break but not all students need a snack. It is up to your child if they want to bring a nutritional snack for themselves. You can send in a snack on your child's helper day for the class but it isn't expected.

I can be reached:
Email: msuman@chsd.us
Cell: 989-289-5453 until 5:00 pm
School phone: 989-644-3430

I am looking forward to a great year!

Respectfully,
Mrs. Suman
